

Pre-School Newsletter - February/March 2018

As many of you may know just before half term we had an Ofsted inspection, unfortunately we didn't receive the desired outcome that we wanted. We received a "requires improvements" judgement. We have an action plan in place and the outcomes are very achievable and we have already put these into place. This has not affected how much we love all of our children and we will turn this around and come back stronger. Thank you for all your support here's to the future.

Can I ask that you limit the amount of toys hooked onto school bags (1 only) as they become tangled and the children are wanting to play with them at home time and this is distracting when we are trying to put hats, coats and scarfs etc. on at the end of the session. Can we also make sure that all the children's belongings are named this also makes things easier when we are trying to dress the children when they go in and out of the garden to play.

Please don't forget show and tell days are Tuesday and Wednesday and the children are asked to bring in a topic related item on these days only. If you could ask your children to hand it to a member of staff to go onto the looking table and not leave in their bags. Please don't bring anything to valuable in as we don't want then getting lost or damaged and children becoming upset.

Can I ask that you do not use the school carpark to drop off or collect your children from school. I have been asked that you use the surrounding streets or Nichols field car park and take the short walk from there. Also please be respectful to our neighbours as we have had some complaints from a resident regarding cars parking awkwardly causing obstructions onto paths and walkways.

Dates for your Diary's.

Please be reminded that we finish for the Easter break on **Wednesday 28th March**. And return to school on **Monday 16th April**.

May Bank Holiday is **Monday 7th May**

We close for half term on **Friday 25th May at 3.10** and re-open on **Tuesday 5th June**. (Monday 4th being a inset day)

Best wishes Natalie & Team.
